THEME: What The God Of My Faith
Has Done For Me

NOW I AM READY

From the moment of my conception
God has always been working nearby,
even before I became as a twinkling
in my Mother's precious eye.

The journey was long and hard
and it seems I fought all the way,
I never once considered Jesus was the maker
and I was merely the clay.

As I went through my childhood
I tempted fate every step of the way,
if it hadn't been for God's grace and mercy
I wouldn't be standing here today.

It took me many years to see
that I wasted away my youth,
but what better time than the present
for God to finally reveal to me his truth.

In the mirror of my mind
I now see Jesus holding my tender hand,
as I walked my destructive path
he was always leading me to the promised land.

Of course the journey hasn't come full circle
I still have a lot to do,
but meeting Jesus in Horizon
has simply cleaned my slate anew.

So I'm thankful for the support
of my family, community, and it's volunteer's,
because through them God's spirit is revealed
as I face against my fears.

NOW I AM READY
