*Lifestyle Magazine is a free publication that has been published monthly in East Volusia County for over 30 years and is distributed to 100's of hotels, condos, Airbnb's and businesses and mailed to over 6,000 homes each month. Each month our Magazine focuses on a special Awareness Cause for the month and has committed to contribute a percentage of its revenue to a local Charity that focuses on that month's awareness. In addition, a local reader/subscriber has the pleasure of sharing in this cause by locating the special symbol inside one of our partner businesses Ads in the publication for a chance to WIN a special gift along with the Charity.
