My name is Ken Marshall. I moved to Florida approximately 18 months ago from up north. I had a contracting company for 25 years, but when I got to Florida, I found trouble finding work until I met Mr. Reed, owner of Lifestyle Magazine. Even trying other forms of advertising, but nothing compared to the success I received using Lifestyle Magazine. As a matter of fact, I was about to give up and move back north, but Mr. Reed helped me with advertising advice, met with me several times, and now I can't keep up with work.

So, if you are looking for an advertisement that really works, there is nothing better than Lifestyle, at least for me.
