For over 25 years, owner's Bruce and Sabrina Farmer have served Volusia Counties mobility needs with compassion, quality equipment and exceptional customer service. When dealing with age related limitations, accidents, long term disability and other illnesses they understand it is a difficult time and Coastal Florida Mobility is dedicated to helping their customer find daily living supplies, bathroom safety supplies, liftchairs, scooters, electric wheelchairs, walkers/rollators, oxygen concentrators, CPAP, canes, etc.

In their current location at 3761 S. Nova Road, Suite P, in Port Orange, located at Park Place Plaza on the corner of Nova and Dunlawton (near Ross, Bealls, Kilman Jewelers) all of these items and MORE can be seen in their large showroom

including ramps and vehicle lifts! They are a Golden* Technology Flagship dealer carrying their large selection of scooters and lift/recline chairs. These liftchairs offer a lifetime warranty on frame, lift mechanism and scissor mechanism, unparalleled with other companies. CoastalFloridaMobility also carries a large selection of new and used scooters, including folding scooters, in stock! They also service what they sell.

Whether you visit their beautiful showroom or would like them to come to your home for a free, no obligation, personal attention

demonstration of electric mobility, feel certain Coastal Florida Mobility will give you their honest professional service.
