## Glazed Salmon With Watermelon Salsa

We love the combination of sweet and spicy flavors, so we added a jalapeno chile to the fruit salsa -- with delicious results.

### Watermelon Salsa:

- 1 lime
- 4 cups seedless watermelon, 1/2-inch cubes
- 1/4 cup (loosely packed) chopped fresh mint leaves
- 2 tablespoons chopped green onion
- 1 small jalapeno chile, seeded and finely chopped

### Glazed Salmon:

- 1/4 cup hoisin sauce
- 1/2 teaspoon Chinese five-spice powder
- 4 (6 ounces each) salmon steaks, each 1 inch thick

1. Prepare outdoor grill for covered direct grilling over medium heat.
2. Prepare salsa: From lime, grate 1 teaspoon peel and squeeze 1 tablespoon juice. In serving bowl, toss lime peel and juice with watermelon, mint, green onions and jalapeno. Makes about 3 2/3 cups.
3. Prepare salmon: In cup, stir hoisin sauce and five-spice powder.
4. Place salmon on hot grill rack over medium heat. Brush salmon with half of hoisin mixture. Cover grill and cook salmon 3 minutes. Turn salmon over and brush with remaining hoisin mixture. Cover grill and cook 3 minutes. Turn salmon over again and cook until just opaque throughout, about 3 more minutes. Serve salmon with Watermelon Salsa. Serves 4.
