Dear Dick:

We wish to express our gratitude to the LIFESTYLE MAGAZINE by placing our advertisements with monthly discounts, and receiving such a prompt response every month. The publications are always delivered by the first of every month allowing all of our clients and perspective clients to have an opportunity to view the new monthly special. Also the web page www.LifestyleMagazineFlorida.com, provides an additional service for our clients.

Based on our experience we would highly recommend "Lifestyle Magazine," to any business in Volusia County, for placing their advertisements for future business opportunities.

Thank you for promoting THE SPA AT RIVERVIEW, every month.

Cordially,

Judy Cole
